Invitation

Dear delegates,

It gives us an immense pleasure to cordially invite you to participate in UGC sponsored National Symposium on "Emerging Perspective in Parasitology Research" (EPPR: 2017) organized by department of Zoology on 20th and 21st January, 2017 to explore the scientific excellence growing in the field of Parasitology. The symposium aims to bring together the students, teachers, researchers, scientists, academicians, and experts from different part of country to exchange their ideas and knowledge through presentations and discussions, also focus on current status and trends in Parasitology Research. The organizing committee has arranged lectures of eminent resource persons from the different Universities of the country.

We welcome you and your colleagues to participate in the symposium with your papers for oral/poster presentation. The symposium will definitely prove to be helpful in promoting and creating new insights in the field of Parasitology.

The host Institute:

The social reformer, former Minister of Maharashtra state and great visionary, Late Shri. Manikraoji (Dadasaheb) Palodkar has established "Rajarshi Shahu Shikshan Sanstha" Sillod in 1971. The Institute has been striving to achieve the aim with the motto "Bahujan Hitay Bahujan Sukhay" and has succeeded to a large extent in leading the Institution towards the educational excellence. The institute is catering its educational services in this region through various branches from pre-primary school to post graduate level. The institution is now progressing well under the able guidance of Shri. Prabhakar Rao Palodkar, the president of the institution. It is one of the well known educational institutions in Aurangabad district.

Yeshwantrao Chavan College of Arts, Commerce and Science was established in 1972. It is permanently affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and reaccredited with "B" Grade in 2015, by NAAC. The college is well equipped with good infrastructure and beautiful campus. The College offers various courses and streams of study from Junior wing to P.G. section along with Research (Ph.D.) facility and also has well stocked Library with ICT facilities. Thousands of students of this region are taking benefits of several courses.

The Department of Zoology was established in 1993, along with undergraduate course, the department also runs Certificate Course in Sericulture under UGC sponsored Career Oriented Programme. Department had received grant from the UGC for Major and Minor Research Projects. The department is committed for the all round development of the students by providing quality education.

Background of the Symposium:

Parasitology is one of the widest branch of life sciences. Parasitology is the dynamic field because the relationship between the host parasites is constantly changing. The Parasitic diseases are prevalent worldwide including India. The Malaria, filariasis, hydatid diseases, intestinal parasitic infestations, both protozoan and helminthic are present throughout world. There is also a serious problem of vectors and phytonematodes. All these conditions are of major public, animal and plant health importance and are responsible for an increased mortality and morbidity all over the world. The priorities should be given to study the diseases which are health importance of public and domestic animals from local, regional and national level and to alleviate the suffering of the people and animals by these parasitic diseases, the research should be directed for development of diagnostic methods for early and better diagnosis, effective therapy for treatment of these conditions, and conduct the epidemiological and identify the practicable, cost effective and eco-friendly measures to prevent the wide spread resurgence of these parasitic diseases and to save the precious life.

With these sentiments we wish to organize the National symposium on "Emerging Perspective in Parasitology Research" (EPPR: 2017). The symposium will consist of two days scientific programme with renowned invited speakers and high quality oral presentations on latest issues in the field. In addition a comprehensive poster presentation session will allow delegates to present their research findings.

Thrust Area

- ▶ Parasitic Biodiversity and Disease Burden.
- ▶ Climate Change and Diseases.
- ▶ Human and Animal Health.
- ▶ Applied Parasitology and Control Strategy.
- ▶ Animal and Plant parasitic diseases and their control.
- ▶ Global threats and challenges in Parasitology Research.
- ▶ Innovations and applications in Parasitology Research.
- ▶ Epidemiology, Diagnosis, Chemotherapy and control of parasitic diseases.
- ▶ Any topic related to the main theme from various subjects like Life Sciences, Biotechnology, Environmental sciences, Entomology, Biochemistry etc.

Call for Abstracts and Papers

Original scientific contributions are invited for oral and poster presentations.

Abstract: Abstract should be 250 words maximum neatly typed with 1.5 spacing on A4 size paper in MS Word format font type Time new Roman font size: 12 pt, title should be in font size: 14 pt, and bold, figure and images in JPG format, including title, authors, affiliation, e-mail and cell number to the Organizing Secretary via e-mail: epprzo@gmail.com OR drsudhirm11@gmail.com The name of the presenting author should be underlined. Poster size should not exceed 100 X 100 cm² areas.

Full length Papers: Efforts will be made for publication of the full length papers presented at the symposium in the reputed research journal with ISSN number after peer review.

For details visit to www.yccsillod.net/symposium.

Registration Fees

- ▶ Faculty Delegates: Rs. 800 (Spot registration Rs. 1000)
- ▶ Student Delegates: Rs. 400 (Spot registration Rs. 500)

Participants must fill the registration form and send through email, but the registration will be confirmed only after the receipt of fees. The registration fees include welcome kit, breakfast, lunch and dinner. Accommodation is not included but arranged at reasonable rates. The registration fee can be submitted through Demand draft of any nationalized bank in favour of Principal, Yeshwantrao Chavan College, Sillod or paid by RTGS/NEFT.

Bank Details for online fee transfer

Name : Principal, Yeshwantrao Chavan College, Sillod.
